

中國飲食文化博大精深，菜式因應地區的地理環境，氣候產物，文化傳統和民族習俗等因素影響和根據群眾喜愛的不同流派菜系形成了粵菜、川菜、魯菜、蘇菜、浙菜、閩菜、湘菜、徽菜，並被稱為廣為人知的中國八大菜系。

后園的名字靈感取自於週邊維多利亞時代建築的1881遺跡 - 對稱的四面封閉式的庭園猶如是中國天井式建築中確保當時皇后得以保護，免於受外界入侵的設計。而后園正是一個既能反映出歷史又能融入現代社會的中餐廳，搜羅世界各地最時令的食材入饌，將中國八大菜系當中多款名菜重新演繹並帶到后園的餐桌上。

Chinese cuisine is rich and diverse, varying in style and taste from region to region. Its history dates back thousands of years, evolving in accordance with the geographical environment, climate, local produce, cultural traditions and ethnic backgrounds etc. All these factors contribute to a superlative range of cooking techniques, ingredients, dishes and eating style that is understood to be the renown "Eight Regional Chinese Cuisines". These eight culinary cuisines are Anhui, Cantonese, Fujian, Hunan, Jiangsu, Shandong, Szechuan and Zhejiang.

The name - THE QUEEN (后園) is inspired by the Victorian-era site of 1881 Heritage with elements of architecture style corresponding to the ancient Chinese residential courtyard infrastructure - symmetrical and enclosed from four sides with privacy, keeping residence (THE QUEEN) protected from external intrusion. Aligning with the revitalized architecture design, The Queen gathers Chinese classics across the regions using the freshest seasonal produce around the world and creatively reinvent the classics to be the absolute best diners can find in today's Chinese delicacies.
